

# The popular girl

BY Arianna

There was once a popular mean girl called Mackenzie Hollister “I’m so rich I have one-hundred million Gucci bags and ten-thousand iPhone X Rs , don’t forget my £1,000,000,000,000,000,000,00,000,000!” Boasted Mackenzie .She only became popular for lying about EVERYTHING and used her fame to be mean! But with bad there’s good.

One day, a new student came to Mackenzie’s school called Nikki Love. Mackenzie saw her instantly as a Target! “Hi,” innocently said Mackenzie with a smug smile. ”Do you want me to show you to the classrooms?”

“Ok then,” shyly said Nikki hoping that she’ll make a new friend. Quickly, Mackenzie whipped out her right leg as quickly as she could. BAM! Pleased with her evil doing Mackenzie asked smoothly “Oopsies, want me to take you to the nurse?”

“NO IF THINK YOU’VE DONE ENOUGH!” screamed Nikki and ran into the teacher’s resources room.

## The next day

ANOTHER! , Girl came to their school called Iris Hope. She strutted across the hallway catching everyone’s attention when she walked past, everyone saw her and was drooling over her (literally). Suddenly she walked past Mackenzie – the only reason everyone followed her because she was an award winning actress-and took all her friends away with a flash. Angrily Mackenzie spluttered “ WHO DO YOU THINK YOU ARE TAKING ALL MY FAME!

“ I’m Iris” calmly said Iris and they parted ways in the corridor. Suddenly, Iris was getting trampled on from the fans ”HEY YOU.” Screamed Iris calling Nikki.

Nikki walked over to Iris shivering.” Do you want to be friends?” asked Iris. Then Nikki nodded.

”What’s your name?” asked Iris

“N..N.....N.....N...N..N.NN.....NNNN...Niki,” shivered Niki. After that they both walked home together.....for days.....and months ..... and nearly YEARS!
