

Max the liar

By Tiyana

Max was the person who always told lies because, since he was born, not his family or he had any cool nice stuff at all. So he started lying one day to his friends, and said that his ante and uncle were celebrities. They all believed him so he was more eager to tell lies so Max did it the next day and the next day.

Because he lied about almost every single day Max got more and more popular. 'Once a dragon came into my beautiful home, but I was quick enough to fight it away with my enormous muscles and my silver sharp sword, as sharp as a sharks jaws,' said Max boastfully.

'I also have a huge swimming pool that's ten feet deep and ten feet wide.' He said again. The next day, Max came up with the most bizarre things like his house is a mansion with five stories (floors), spiral golden stairs going up and a copper slide going down. The back garden is like Hyde Park. Obviously, everyone believed him, so everyone started calling him, Mighty Max.

Chloe on the other hand was very, very shy. Sometimes no one even noticed her. One day, there was a fun party going on and everyone was invited. As Max told lies a lot, he started showing off by telling lies.

Chloe knew that all what Max said was telling was a lie, because he came up with the most bizarre lies every single day. As Max was going on and on about his life. Chloe had enough. 'Max is a liar' Chloe said angrily. 'All he's been telling you is a fibs. All the people thought that Chloe was silly, but Chloe still went on. 'His lies has got more bizarre by the minute.' She said.

The people finally realised that Chloe was telling the truth. Now Max had no more friends at all because he just lied all the time.
