

# **WORLD WAR II**

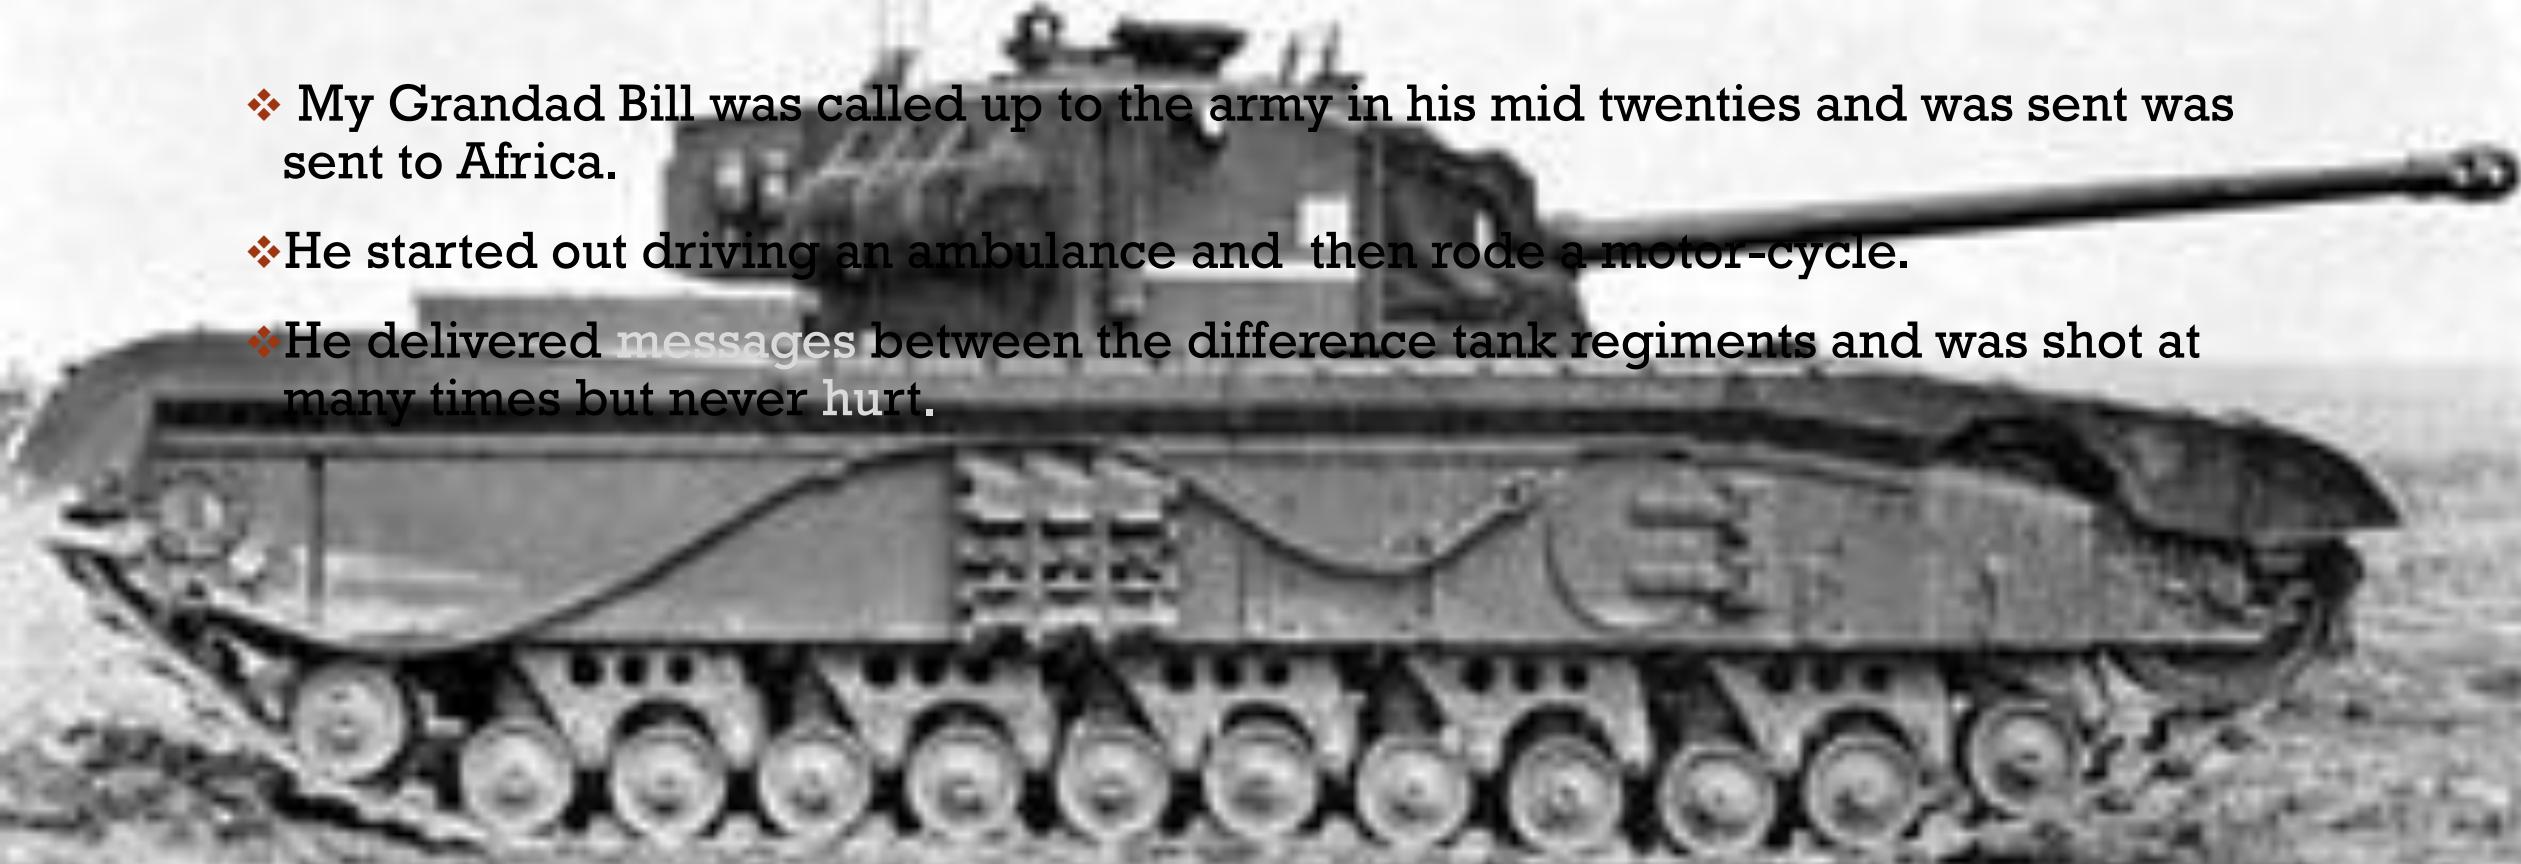

The story of my Nanny Marie and Grandad Bill and also some fun facts.

1939-1945

# MY GRANDAD BILL

- ❖ My Grandad Bill was called up to the army in his mid twenties and was sent to Africa.
- ❖ He started out driving an ambulance and then rode a motor-cycle.
- ❖ He delivered messages between the difference tank regiments and was shot at many times but never hurt.

# MY NANNY MARIE

- Nanny Marie was 18 when war was declared.
- In her early twenties she made the wings for Wellington Bombers and spitfire aeroplanes.
- Later on, she worked on the Women's land Army and drove a tractor
- Food and clothing were rationed but Nanny Marie worked in the country side so food was scarce.
- She had a blouse made from parachutes silk
- A great sense of teamwork everyone worked together to help beat the enemy.
- She became nearly deaf because of all the noises of the planes.

# PLANES

- Many different planes were used in the war some were large and carried supplies some were piloted by soldiers and were full of weapons to shoot down enemy planes .
- Some of these many planes include Spitfires, Arsenal Vc-10, Avia b-135 and Ansaldo A.120

# THE LEADER OF THE GERMANS

- ❖ Adolf Hitler was a German soldier in world war I however he was not born in Germany he was actually born in Austria.
- ❖ He was the leader of the Nazi party and only one the election because after Germany had lost in world war I Germany had to pay a fee and lost loads of money which meant it was harder to pay wagers and taxes meaning that loads of people became homeless and would believe anything if it meant they would be rich and get there homes back
- ❖ The way Hitler died was he crunched on a cyanide pill and the shot himself in the head to speed up the process.
