

Mathletics

Mathletics has helped pupils at Cathedral Primary to enjoy maths and increase their breadth and depth of mathematical understanding for several years. Although it is enjoyed by pupils worldwide, there is much more to Mathletics than quick-fire calculation competitions across the globe.

From times tables music videos to interactive flash tutorials and exercises about every maths topic covered in the primary curriculum, this newsletter aims to show what your child can do with Mathletics and also how you can help your child best with this platform.

<http://www.cathedralprimaryschool.com/maths/mathletics-a-guide-for-parents/>

Children in Years 1 – 6 should have received their Mathletics login code this week. Please ask your child's teacher or the office if you haven't received it.

Parents' Evening

Please make sure you book an appointment for Parents' Evening on the online system.

<http://www.cathedralprimaryschool.com/parentsevening>

Photographs

Individual and sibling photographs will be taken on 14th November.

SENCO (Parents' Evening)

On Parents' Evening (17th and 18th October), if you would like to meet with Miss Jinks (SENCO) please use the online form with your preferred dates and times:

<https://goo.gl/forms/ZfMIXLnLadVFYkq33>

Our Speech and Language Therapist will also be available on Thursday 18th October from 2.30-4.30pm. The online form is here:

Curriculum Evenings

Thank you for attending the curriculum evenings if you were able.

The slides used for the evenings are now on the Classes' blogs.

Reading Records

Apologies if your child is waiting for a new reading record. Simply, the supplier has let us down. We have a final delivery date of Thursday next week. We have ordered a batch of the old reading records in case we are let down again.

Term Dates

The term dates for next academic year (2019-20) are now on the website.

<http://www.cathedralprimaryschool.com/parents/term-dates>

Please consult them when booking family holidays to avoid authorised absence.

Cathedral Services

The first service at the Cathedral was led superbly by Y6 on Friday as they reflected on the parable of the mustard seed, in this, their final year at Cathedral School.

The dates for all the Cathedral Services have been emailed to all parents and everyone is welcome to attend – no booking required - you just show up at the Cathedral before 9.30am.

The next service there is our Christmas one and is always a very special occasion.

Maths Challenge

Well done to all of the children who entered the first Cathedral Maths Challenge of the Autumn Term.

Miss Henderson was so impressed with the high-level of Mathematical thinking (especially from Year 1 who are this weeks Champions with a record of 12 children from the class taking part).

Please find the new Cathedral Maths Challenge on the Maths blog - it is due on Tuesday 9th October. Good luck!
