

THE CATHEDRAL SCHOOL OF ST. SAVIOUR AND ST. MARY OVERIE

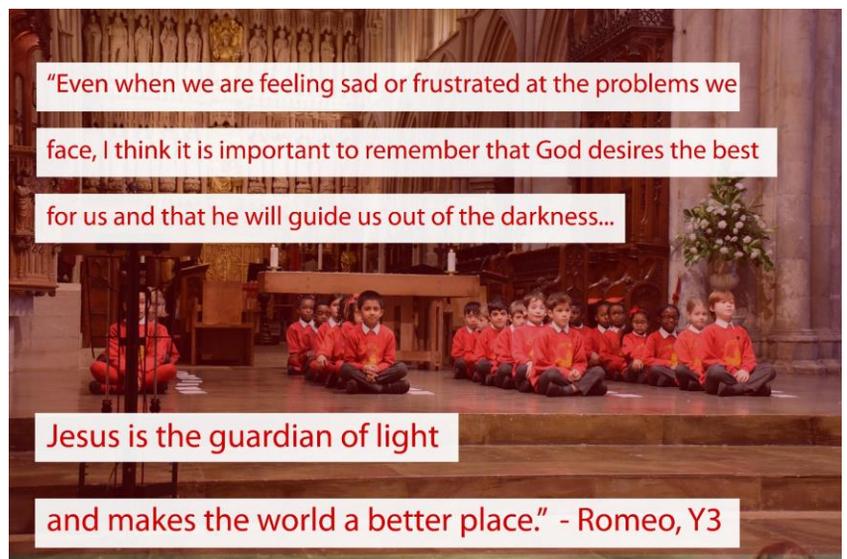

Candlemas

Today was Class 3's Candlemas service. It was the first time Class 3 had led a service in Southwark Cathedral.

They read some beautiful reflections and prayers on the theme of light. It was led superbly by the class.

Thanks to Miss Fishwick, Sue and Ellen for putting the service together and helping Class 3 write their contributions.

Topic Navigators

We hope you have found the Topic Navigators (Y1-6) useful as a further way of assisting your child at home and knowing more about what your child is learning.

Snow

We will always try to keep the school open in inclement weather, but in the event of the school being closed because of any overnight snow, we will aim to inform you by email before 7.30am. We will also put a notice up on the homepage of the website.

Junk Modelling

Any spare cardboard boxes, plastic bottles, plastic lids, yoghurt pots etc. would be very gratefully received by Miss St Lewis and Sara in Reception Class. If you have any to spare, please could you hand them directly to Sara at the door of the classroom.

Marlborough

We are very lucky to have the Marlborough playground next to the school, and use it for events such as sports day. It is run by Bankside Open Spaces Trust (BOST), not the school. We have no operational control or responsibility for it. BOST are aware that it has been slippery over the last couple of days as a result of being instructed directly by the council NOT to use salt on the surface. While this is frustrating, they have informed us they are working on finding alternatives to salt.

NQTs

The school hosted training on Friday for Newly Qualified Teachers across the borough as a specialist school for 'behaviour for learning'. As ever, they were very impressed.

Clubs

If your children attend clubs, the £10 charge for clubs should be in your ParentPay account. We would be grateful for payment as soon as possible.
