Apply online

If your child is due to start secondary school in September 2018 you must apply online (www.southwark.gov.uk/schooladmissions) from 1 September 2017 and submit your application before the **closing date of 31 October 2017**. However we would encourage you to submit your application by **20 October 2017** (Friday before half term) in case we need to contact you.

Need to know:

- It's quick and easy to do
- You will get an email confirmation that your application has been received
- The system is accurate and helps you by checking for errors
- There is no risk that your application will get lost in the post
- You can make changes to your application up until the closing date without having to complete another form
- The system has a number of security procedures to protect your privacy
- Available 24 hours a day, seven days a week, up until the closing date of **31 October 2017**
- During the evening of **1 March 2018** you will receive an email informing you of your child's offer of a secondary school place

For any further school admissions information or advice please contact the school admissions team by email at schools.admissions@southwark.gov.uk or by phone on 020 7525 5337.

Please note you will be issued with a reference number once you have submitted your online application which will be similar to this: 210-2018-09-E-002100. If you do not receive a unique reference number it means your application has not been received and you will need to resubmit your application.

Keep a record of your unique user name, password and application number which you will use for your application.

It is important to keep this information safe so that you can log in and look at your application. You will also need this information to view the results of your application when they become available online during the evening of 1 March 2018.

Foreword

A message from the cabinet member for children and schools at Southwark Council

Dear parents and carers

Starting secondary school is a huge milestone for you and your child. If your child is due to start secondary school in 2018, I hope that this brochure will help to clarify the process of deciding which school is right for your child by providing useful information about the different types of secondary schools in Southwark.

I regularly visit our secondary schools, and I can assure you that by choosing to send your child to a Southwark school, your child will go to a school that maintains some of the highest standards in the country. Southwark's secondary schools are currently ranked in the top ten in England and 91 per cent of our schools have been judged good or outstanding by Ofsted. Southwark's GCSE results are improving significantly and I am a firm believer in providing the best education possible for your child. That's why the council is committed to working with all secondary schools in Southwark to ensure over 70 per cent of students achieve at least five good GCSEs.

Applications for secondary school places will only be accepted online. To access an online application form, please visit southwark.gov.uk/schooladmissions. If you don't have access to the internet, please go to one of our Southwark libraries or a MySouthwark customer service point which offer free access to the internet with staff on hand to help you.

It's important that when you select the six preferred schools you would like your child to attend, that you read through this brochure carefully so that you understand what each school or academy offers, as some may specialise in arts, maths, languages, science or digital technology. I would also advise you to attend one of the open days so that you can tour the school and meet the teachers. That way you know you are selecting a school that is right for your child where they will thrive and meet their full potential.

Please let me know if you have any questions about secondary education in Southwark.

You can contact me by emailing victoria.mills@southwark.gov.uk or calling 020 7525 1969.

I wish you and your child the very best.

Victoria Mills

Cabinet member for children and schools, Southwark Council

Key dates

Application for a secondary school place for September 2018 intake

Date	What should parents/carers look out for?
1 September 2017 to Tuesday 31 October 2017	<ul style="list-style-type: none"> ■ The admissions process starts. ■ Contact schools for a copy of their prospectus and details of when you can visit for open days/evenings. We strongly advise parents to visit schools before naming them as a preference on the application form. Please view pages 8 and 9 for Southwark's school open day/ evening dates. ■ Apply for secondary schools by completing an online application form. To apply online visit www.southwark.gov.uk/schooladmissions ■ If any of the schools you have listed as one of your preferences requires a supplementary information form (SIF), you must complete and return the SIF directly to the school. You should contact the school to check their individual closing date.
Tuesday 31 October 2017, 11.59pm	<ul style="list-style-type: none"> ■ Closing date for submitting online applications. ■ You must ensure that we have received your online application alongside any additional supporting information by this date. We strongly recommend that you submit your application by Friday 20 October 2017 so that we receive it before the half term holiday and can contact you if necessary.
Thursday 1 March 2018	<ul style="list-style-type: none"> ■ Applicants who apply on time will receive an email after 5pm which will provide information on what to do next. ■ All applicants will also be able to view the outcome of their application during the evening at www.eadmissions.org.uk
Thursday 15 March 2018	<ul style="list-style-type: none"> ■ No action is required if you want to accept the school place offered to your child and you are a Southwark resident. ■ Should you wish to reject the offer of a school place allocated to your child, you must notify the school admissions team by email at schools.admissions@southwark.gov.uk and include your unique application reference.
Appeals	<ul style="list-style-type: none"> ■ Check dates of appeal hearings with individual schools.

These are important deadlines which you will need to keep in mind. If you miss these dates, your chances of being offered a place at a preferred school will be reduced.

Finding the right school for your child

Start finding out about schools now

- Before you decide which schools to apply for and your order of preference, we strongly advise that you read the guidance in this brochure.
- You will find information about schools in Southwark either within this brochure, from the schools directly, online or by contacting Southwark Council's school admissions team on **020 7525 5337**.
- You can also talk to teachers and other parents/carers whilst thinking about what is important to you and your child.

Look at school brochures/websites

- All schools produce their own brochures, which contain far more information about the school than we can provide in this brochure.
- Many schools also have their own website which can be a valuable source of information. School websites are included on the individual school's page within this brochure.
- To help you research which schools are right for your child, all Southwark Council libraries offer free access to the internet with staff on hand to help. To find your local library contact Southwark Council's customer service centre on **020 7525 5000**.

Visit as many schools as possible

- Parents and carers are strongly encouraged to visit schools to see what each has to offer. Please see pages 8 and 9 for open day/evening dates.
- If you are interested in applying for a school, look at their oversubscription criteria in detail before completing the online application form and listing it as a preference.
- If you are applying to a secondary school that uses banding as part of its criteria, your child will be required to take a test. Please contact the school for further details.

Look at the most recent Ofsted reports

- All schools in Southwark are inspected regularly by the Office for Standards in Education (Ofsted). Ofsted's main aim is to help improve the quality and standard of education and childcare through independent inspection. You can check the latest report for any school by asking the school for a copy or by visiting the Ofsted website www.gov.uk/government/organisations/ofsted

Extra help

Help and advice is always available from Southwark Council's school admissions team. We can answer any questions you may have about the admissions process. Email schools.admissions@southwark.gov.uk or you can phone us on **020 7525 5337**.

Applying for a secondary school place

When can my child start secondary school?

If your child was born between 1 September 2006 and 31 August 2007, your child is due to start secondary school in September 2018. You must start applying from September 2017 and submit your application before the closing date on 31 October 2017.

Different types of secondary schools in Southwark

There are three types of mainstream secondary schools in the borough and Southwark Council co-ordinates admission applications on behalf of these schools. The schools all follow the national curriculum and are regularly inspected by the Office for Standards in Education (Ofsted). For children starting school in Southwark there are 19 secondary schools to choose from.

Voluntary aided schools

There are three voluntary aided secondary schools in Southwark. The school's governing body is responsible for their admissions and decides how pupils are admitted.

Academies

There are 14 academies in Southwark. The Academy Trust is responsible for school admissions and decides how pupils are admitted.

Free schools

There are two secondary free schools in Southwark. The school's governing body is responsible for school admissions and decides how pupils are admitted.

All of Southwark's secondary schools are their own admissions authority and are responsible for setting their own admission arrangements. Southwark Council's school admissions team co-ordinates admission applications to all schools. In cases where a decision not to offer a place has been made, parents/carers will need to contact each school or academy for further details.

Admission authorities are responsible for ensuring that their arrangements are fair, clear and compliant with current regulations. If you have a query about a particular arrangement, you must raise it directly with the relevant admission authority e.g. the school. If your query remains unresolved and it relates to a Southwark school, please contact our admissions compliance officer by email at admissions.compliance@southwark.gov.uk

You may also raise any objections to admission arrangements with the Office of the Schools Adjudicator by 15 May. Please see page 50 for details on how to contact them.

University Technical Colleges (UTC) and Studio Schools

If your child was born between 1 September 2003 and 31 August 2004 and is currently in year 9, s/he is eligible to apply for a place at a University Technical College (UTC) or a studio school to start at the beginning of year 10 in September 2018.

UTCs and studio schools admit pupils at the beginning of year 10 and provide technically oriented courses of study or work skill based learning for 14 to 19 year olds. Although there are currently no UTCs or studio schools in Southwark, you can still apply for a place for your child at a UTC or studio school outside of Southwark. Please visit www.utcolleges.org and www.studioschoolstrust.org for information on UTCs or studio schools near to where you live.

If you are a Southwark resident and would like to apply for your child's admission to a UTC or studio school, you must apply online at www.southwark.gov.uk/schooladmissions

Please note you must only apply if:

- your child is currently in year 9; and
- you would like your child to transfer from a secondary school to a UTC or studio school to start at the beginning of year 10 in September 2018

Any schools other than UTCs or studio schools that are named on the child's online application will not be considered.

For further information or advice on UTC and studio schools please visit www.southwark.gov.uk/schooladmissions. Alternatively you can email the school admissions team at schools.admissions@southwark.gov.uk or call the team on 020 7525 5337.

How to apply

Information about applying

Before you start applying there are a few things you need to know.

- If you are a Southwark resident you must apply online by visiting www.southwark.gov.uk/schooladmissions
- If you live in another borough you must complete the admission application for the borough in which you live, even if you would like to apply for a school in Southwark.
- When applying for a school place you may express a preference for up to six schools whether they are in Southwark or in another borough.
- Some schools need to collect information that is not included on the admission application. They request this information using a supplementary information form (SIF). The school will use the information you provide by comparing it against their published admissions criteria. For example, a faith school will require evidence of church attendance.
- You must complete a SIF if the school you have listed as one of your preferences requires this. Please view the individual school's page within this brochure to check if a SIF is required.
- The SIF will be available from the school and must be completed and returned directly to the school. Please check the individual deadline date for returning the SIF with each school.
- The online application will not be valid unless it is submitted by **11.59pm on 31 October 2017**. You will then receive a unique application reference number by email confirming that your application has been submitted successfully. If you do not receive this email please check your junk mail folder. If you have still not received the email please submit your application again as it will not have been submitted successfully.

- Where a SIF is required alongside an admission application, your application may be invalid or your chance of a place reduced unless both the forms have been completed and received at the correct addresses by the closing dates. Please note that you will also need to sign the SIF before sending it to the school.

When can I start applying online?

- You can start applying online from **1 September 2017** at www.southwark.gov.uk/schooladmissions
- If you do not have a computer at home or do not have internet access, Southwark Council libraries and MySouthwark customer service points offer free access to the internet with staff on hand to help. To find your local library or MySouthwark customer service point, contact Southwark Council's customer service centre on **020 7525 5000**.

How do I apply online?

Online school admission applications are quick and easy to do. All you will need is an email address to register at www.eadmissions.org.uk which should take approximately five minutes. Don't worry if you do not have an email address. You can sign up for a free email account by reading our leaflet 'Registering for an email account' which can be requested from the school admissions team by calling **020 7525 5337**.

Follow the steps below and you're ready to start your child's online application.

Step 1

- To apply online go to www.southwark.gov.uk/schooladmissions

- Click on

Apply online for school admissions

- You will be taken to the eAdmissions webpage.

Step 2 Registering to apply online

This is the first time I am applying online using eAdmissions. What should I do?

- If this is the first time you are applying for a school place on the eAdmissions website, you must register to apply online. It is important that the person registering has parental responsibility for the child and that they both live at the same address that has been stated on the online application.
- You will need to click on '**Register to apply online**'. Once you have registered, you will be sent an email with your user name and instructions. Follow these instructions and you will be sent another email with your password.

- The email will also contain a web link which will take you to the eAdmissions log in page to start your application.

I have applied online before using eAdmissions. What should I do?

- If you have used the eAdmissions website before to apply for a school place for any of your children you do not need to register again. You will need to click on '**Login to an existing account**' or '**User login**' and log in with the same user name and password that you used when you previously applied online.
- If you wish to change any of your personal details e.g. your address, email or phone numbers please click on '**Edit your details**'. You can then make the necessary changes but you must ensure you click '**Save and continue**'.
- If you have forgotten your user name and password you must contact the technical support team by telephone on **020 8255 5555 (option 1)** who will be able to assist you.

Step 3 Completing the application

- Each page on your screen will explain what you need to do as clearly as possible with a '**Help**' button at the top of the page which you can click on if you need further guidance. You can also find additional information/explanation if you 'hover' over an underlined heading until a 'symbol of a hand' appears, then click to display the information.
- Please ensure that the online application is fully completed and that you enter the details correctly. Failure to tick certain boxes, e.g. the sibling box or the social/medical box, will mean that the sibling or social/medical criteria may not be identified when your application is being processed.
- You must ensure that you click '**Save and continue**' each time you complete a page of the application.

you must submit it by the closing date of **31 October 2017**.

- You will not be able to sign the application. However, the registration process has a number of security measures aimed to verify the identity of the parent/carer.
- Use the '**Submit Application**' button to submit your application. Once you have submitted your online application the system will show as 'Submitted' and show the date, time and version number of the submitted application.
- You will also receive an email confirming details of your application and will be given a unique application reference number similar to this: **210-2018-09-E-002100**. If you do not receive such a number it means your application was not submitted successfully and you must try submitting it again as the school admissions team will not have received it.

Southwark Council cannot accept responsibility for application forms which are not received by the closing date.

Can I change my preferences once I have submitted my application?

- If you have submitted your online application before the closing date you are still able to make changes to it. If you do go back and make further changes you must save and submit your application again before the closing date.
- After the closing date Southwark Council's school admissions team will accept the last submitted version of your application.

What communications will I be sent if I apply online?

The eAdmissions website will send you various emails including:

- An email with your **username** asking you to validate your email address.
- An email with your **password** so that you can login and start your application.
- An email with your **application reference number** and the **summary of your submitted application**.
- An email **reminder** to submit any un-submitted applications about 1 week before as well as 24 hours before the closing date. If you register less than 24 hours before the deadline you will not be sent this email.
- An email with the **outcome** of your online application will be sent during the evening of **1 March 2018**.

If you have registered your mobile phone number to be part of the text messaging service, eAdmissions will send you various text messages including:

- A text with your **validation code**.
- A text confirming your **username** and **password**.
- A text **reminder** to submit any un-submitted applications about 24 hours before the closing date. If you register less than 24 hours before the deadline you will not be sent this text.
- A text with the **application reference** number of your submitted application.
- A text to inform you that the outcome of your application is available to view online. You will not be sent the outcome of your online application by text message.

If you feel you may need further help and advice in completing an online application please contact your child's current primary school who may be able to support you.

For any further school admissions information or advice, please email the school admissions team at schools.admissions@southwark.gov.uk or call the team on 020 7525 5337.

Important information

- You must complete a supplementary information form (SIF) if the school you have listed as one of your preferences requires this. Please view the individual school's page from page 21 onwards to check if a SIF is required. The SIF will be available from the school and must be completed and returned directly to the school. Please check the individual deadline date for returning the SIF with each school.
- If you are providing additional information to support your application such as a medical letter, make sure you upload this as an attachment with your online application or submit this by post to the school admissions team before the closing date of **31 October 2017**. Please see the back cover for the school admissions postal address.
- It is important that you keep a copy of your final completed application and note down the unique reference number as you will need it to view the results of your application when they become available online during the evening of 1 March 2018.
- If you experience any technical difficulties or have any questions regarding the eAdmissions website you can contact the London Grid for Learning, which administers the website on **020 8255 5555 and select option 1**.

What happens after the closing date?

How the decision to offer a school place is made

- Each of your preferences will be considered individually under each school's oversubscription criteria.
- If you have listed any schools outside of Southwark, we will send your preferences to those boroughs electronically.
- All of Southwark's secondary schools are non community. Where a school has received more applications than there are places available, the governing body of each school applies their oversubscription criteria and decides which applicants are to be offered a school place. To view a summary of each school's oversubscription criteria please view page 21 onwards.
- Once all schools have prioritised applications based on their oversubscription criteria, they will provide a ranked list to Southwark Council's schools admissions team.
- If more than one offer can be made from your list of preferred schools, we will check your application to see which one is ranked highest and offer you that place. Any school listed as a lower preference will be automatically withdrawn so that these places can be offered to other applicants.
- Your child will only receive one offer of a school place.
- If your child is a Southwark resident and it is not possible to offer him/her a school you have listed as a preference, we will offer an alternative place at a school with capacity. This is likely to be the nearest Southwark school to the child's home which has a vacancy.

Offer of a school place

- You will receive an email after 5pm on **1 March 2018** which will provide information on what to do next. You will also be able to view the outcome of your application on the eAdmissions website during the evening of **1 March 2018**.
- Application results will not be provided over the telephone.
- Please note that the offer of a school place is conditional until proof of address has been confirmed by the school.
- Original copies of the following will be required:
 - Child benefit documentation, or if you are no longer eligible to receive child benefit, a letter from the HMRC confirming that you were previously in receipt of child benefit.
 - Council tax bill
 - One other proof of address, e.g. TV licence, bank statement, credit/store card statement

Respond to your offer of a school place

- Your child's offer will be automatically accepted if you are a Southwark resident and his/her details will be forwarded to the allocated school after **15 March 2018**.
- This offer of a school place will remain available unless you notify us of any other suitable alternative arrangement for education that has been made for your child. You must notify the school admissions team by email at schools.admissions@southwark.gov.uk and include your unique application reference number by **15 March 2018** so that other children may be offered the place.

If you are not offered a school of your preference

Waiting lists

- If it is not possible to offer a place at one of your preferred Southwark schools we will allocate an alternative school. Your child's name will automatically be put on to the waiting lists of schools which were named as a higher preference on your application. However, there is a great deal of movement on waiting lists up until the start of the academic year. The school admissions team will contact you should a place become available at your preferred school.
- Southwark Council's school admissions team hold waiting lists for all Southwark schools until **31 August 2018**.
- You may also ask for your child's name to be added to the waiting list of any out of borough school listed on your application form.
- The school admissions code requires admission authorities to hold their waiting list strictly in order of the priorities of their published oversubscription criteria. Please note, if your child's name is added to a school's waiting list, their position may go up or down the list depending on whether any late applicants have been added and how the oversubscription criteria applies to these children (i.e. if a late applicant meets a higher admissions criterion than others already on the list, they will be given a higher waiting list position). This then ensures that if a vacancy arises at a school at any time, the admissions criteria is used to determine which child is offered a place from the waiting list.
- If a conditional offer made from a waiting list is not accepted within five working days it will be withdrawn and offered to the next child on the list.
- If you change address whilst on a waiting list, evidence of the new address will be required when measuring for the home to school distance criterion.

Appeals

- You can appeal against the decision not to offer your child a place at a preferred school. Please contact the school directly for further information.
- You have the right to appeal to an independent appeals panel for each school you made an unsuccessful application to.
- The email containing the outcome of your child's application will give you information about how to appeal.
- Each school sets their own deadline for when you can submit your appeal paperwork. Please contact the school directly for further information.
- More detailed information about the appeals process can be found by contacting Southwark Council's school admissions team on **020 7525 5337** or by obtaining a copy of the School Admissions Appeals Code from the Department for Education (DfE), contact details on page 49.

Late applications

- Applications received after **31 October 2017** will not be considered for a place until after the initial offer of places on **1 March 2018**.
- However, Southwark Council's school admissions team can accept a late application where it considers there are exceptional circumstances. For example, if you have moved into Southwark between 31 October 2017 and 11 December 2017 your application may be accepted subject to valid proof. Confirmation of the move including the date will be required.
- If you are submitting a late application you must complete a paper form as the online application system will not be available after the closing date. You can download the form at www.southwark.gov.uk/schooladmissions. You can also request the form from the school admissions team by calling **020 7525 5337**.
- All other late applications received after **31 October 2017** will not be considered for a school place until after the initial offer of places on **1 March 2018**.

Change of address after you have submitted your application form

- If your child's home address has changed after you have submitted your application and before an offer of a school place has been made, you must complete and return a 'Change of address' form to Southwark Council's school admissions team immediately. You can download the form at www.southwark.gov.uk/schooladmissions. You can also request the form from the school admissions team by calling 020 7525 5337.
- The school will then need to process your child's application again in order to apply their oversubscription criteria.

Important information

If the council or an admission authority has reason to suspect that a family does not live at the address stated, we will carry out an investigation. Should we discover that a parent is making a fraudulent claim the offer of a place will be withdrawn.

What happens after the closing date?

Southwark Information, Advice and Support team (SIAS)

Special educational needs and disability and school preference advice

The role of this team is to give parents and young people access to confidential and impartial information, advice and support so that they can make informed decisions related to education and pathways to employment. This is achieved by working in partnership with parents and young people, providing information, guidance and training, working with relevant agencies and ensuring parents' and young people's views influence local policy and practice.

What you can expect from the team:

- A response to enquiries by phone, email or letter within five working days
- The team telephone line will be open between 9am and 5pm, or if the phone is busy you will be able to leave a message on the confidential answer phone
- Regular sessions held during term time where parents can make an appointment or drop in to meet them to discuss education, health or social care issues
- Annual secondary transfer events and information sessions held for parents and young people
- Information sessions held for parents and young people
- Advice and support for parents and young people with admission appeals for primary and secondary school

Southwark Information, Advice and Support team

Oversubscription criteria 2018 (summary) contact academy for full criteria

Where the number of applications for admission is greater than the published admissions number, after the admission of pupils with an education, health and care plan or a statement of special educational needs where Ark All Saints Academy is named on the plan or statement, the criteria will be applied in the order in which they are set out below:

1. Looked after children and children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangement/residence/special guardianship order).

2. Children of staff at the school where there is a demonstrable skills shortage

3. Children who have a sibling who already attends the school and who will continue to do so on the date of admission (for this purpose, sibling means a whole, half or step-brother or step-sister resident at the same address)

4. Children of staff in the school – where there is no demonstrable skill shortage, priority may be given where the academy is oversubscribed to a child of a person who will have been employed in the academy for two or more years at the time the application is made

5. Distance measurement by a straight line route. A child's home will be the address at which the child normally resides and which has been notified to the academy and other relevant agencies as being the child's normal place of residence

After the admission of pupils with an education, health and care plan or a statement of special educational needs where the academy is named on the plan or statement, the remaining places will then be offered in the following order of priority:

1. Looked after children and previously looked after children who ceased to be so because they were adopted (or became subject to a child arrangement/residence or special guardianship order)

2. Children of staff at the school where there is a demonstrable skill shortage

3. Children who have a sibling who already attends the school and who will continue to do so on the date of admission (for this purpose sibling means a whole, half or step brother or step sister resident at the same address)

Oversubscription criteria 2018 (summary) contact academy for full criteria

If the college is oversubscribed the area served by the college is divided into an inner and an outer catchment area. 135 (75 per cent) of the available places will be allocated to applicants living in the inner area and 45 (25 per cent) to applicants living in the outer area.

All applicants must take a reasoning test which will be used to place each applicant into an ability band within their catchment area, each containing, as far as possible, the same number of applicants. Within each of these bands applicants will be considered for admission in accordance with the criteria below, applied in order.

After places have been allocated to children with an education, health and care plan or a statement of special educational needs, the remaining places within each catchment area band will be allocated in the following order of priority:

- 1.** Looked after children and previously looked after children who ceased to be so because they were adopted (or became subject to a child arrangement/ residence or special guardianship order)
- 2.** Random allocation within each ability band.
This process will be supervised by a person independent of the college

When the Compass School is oversubscribed, after the admission of pupils with an education, health and care plan or a statement of special educational needs where the school is named in the plan or statement, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Looked after children and previously looked after children who ceased to be so because they were adopted (or became subject to a child arrangement/residence or special guardianship order)

2. Children who have a sibling (full, half, step, fostered or adopted brother or sister) already attending the school at the time of the admission

3. Children eligible for the pupil premium

4. Geographical proximity to the school, as measured from the child's home to the front gates of the school in a straight line

If in categories 1 to 4 above, a tie break is necessary to determine which child is admitted, random allocation will be used.

Oversubscription criteria 2018 (summary) contact academy for full criteria

All applicants must take a non verbal reasoning (NVR) test that places them in a rank order. This will take place on **Friday 8 December 2017**. We will then place all applicants in one of nine ability bands, where ability is referenced to the national ability profile. After the admission of pupils with an education, health and care plan or a statement of special educational needs where the academy is named on the plan or statement, applicants will be considered for admission within each of the nine bands in accordance with the criteria below:

- 1.** Looked after children in public care and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangement/residence or special guardianship order)

- 2.** Students for whom admission to the academy is essential because of significant medical/social needs. All applications under this criterion must be supported with relevant written evidence from a doctor or social worker

- 3.** Students whose siblings currently attend the academy and who will continue to do so on the date of admission

4. Girls who are in attendance at Harris Primary Academy Peckham Park

5. Proximity of students' permanent address to the academy using straight line, computer calculated measurements

Students who have not taken the banding test (apart from looked after children and previously looked after children who must always be given priority) will be considered after students who have sat the banding test. They will be prioritised on the basis of criteria two, three and four (in order).

All applicants will be offered fair access to the test and reminded of the dates, times and locations available to sit the test.

Oversubscription criteria 2018 (summary) contact academy for full criteria

We will offer a place to students whose education, health and care plan or statement of special educational need specifically names Harris Academy Peckham (maximum five per cent of intake) and looked after children.

We will apply a banding system for the remaining places, as follows:

All applicants must take a non verbal reasoning test (NVR) that places them in a rank order.

We will then place all applicants in one of five ability bands, each containing, as far as possible, the same number of children based on their performance in the NVR. This ensures that the ability profile of our intake reflects the range of all applicants.

Within each of the five bands, we have the following categories and offer places in priority order as listed below:

1. Looked after students in public care and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangement/residence or special guardianship order)
2. Students with significant medical or social needs supported by professional evidence

3. Siblings, defined as brothers or sisters of students who are on roll at the academy at the time of admission

4. Students who are in attendance at Harris Primary Academy, Peckham Park and Harris Primary Free School, Peckham

5. Proximity of the child's permanent address to the school – closest first. The distance which determines how close a student lives to the academy is the straight line measurement from the main entrance of the student's permanent address to the main entrance of the academy

6. If at the end of the process two or more applicants are tied for last place and it is not possible to decide who is allocated the place using the criteria above, the place will be decided by random allocation, independently verified

Oversubscription criteria 2018 (summary) contact academy for full criteria

The Harris Boys' Academy East Dulwich, will consider all applications for places from boys. Where fewer than 150 applications are received, the academy will offer places to all those who have applied.

The academy will admit students representing all levels of ability among applicants for admission to the academy. All applicants will take a non verbal reasoning test, which will be standardised against the national distribution of ability. Then students will be placed in rank order and will be allocated to one of nine groups.

Where the number of applications for admission is greater than the published admissions number, and after the admission of pupils with an education, health and care plan or a statement of special educational needs where the academy is named on the plan or statement, applications will be considered against the criteria set out below to rank in each group.

1. Looked after boys and previously looked after boys who ceased to be so because they were adopted (or became subject to a child arrangement/residence or special guardianship order)
2. Boys for whom it is essential that they be admitted to the academy because of significant medical or social needs
3. Boys who, on the date of their proposed admission, will have a brother who will then be a student at Harris Boys' Academy East Dulwich
4. Nearest to the academy, as calculated by straight line distance from the students home to the front door of the academy

Students who have not taken the banding test (apart from looked after children or those with an education, health and care plan or a statement of special educational needs who must always be given priority) will be considered after students who have sat the banding test.

Oversubscription criteria 2018 (summary) contact academy for full criteria

Applications for children with an education, health and care plan or a statement of special educational needs are considered under a separate process. The allocation of the remaining places will take place under a framework of fair banding where all applicants will undertake a non verbal reasoning test. These applicants will be placed in nine ability bands depending on the score an applicant achieves. This process is to ensure a comprehensive intake into the academy. The criteria to allocate places within each band will be applied in the order set out below. It should be noted, however, that places are awarded first to students who have attended the academy's testing session.

1. Looked after children and previously looked after children. Such students will be given top priority in each band before the oversubscription criteria is applied
2. Girls for whom it is essential that they be admitted to the academy because of significant medical or social needs, evidenced by written evidence from a professional such as a doctor or social worker
3. Girls who, on the date of their proposed admission, will have a sister who will then be a student at Harris Girls' Academy, East Dulwich. A student's sister is defined for this purpose as a natural or adopted sister, or half sister, who will be living with the student at the same address on the date of their entry to the academy

4. One third of the remaining places available in each band (rounded up to the next whole number) will then be allocated to those living nearest to the academy as calculated by straight line distance from the student's home to the road junction of Shelbury Road and Colyton Road and living no more than 1 kilometre away from that point. Any applicants not allocated a place on this basis will be added to those awaiting random allocation as set out in 5 below. Any places not filled by this distance criteria will also be added to the available places in each band to be filled by random allocation

5. Remaining students who have sat the admissions test and have not been allocated a place will be selected for a place in each band through a random allocation procedure until each band is full. Should any band not be full at the end of this process, students from the nearest adjacent band will be allocated using random allocation to fill the unallocated places, alternating between the band above and below. The random allocation will be verified by a person independent of the academy who will certify that it has been carried out properly and fairly

Oversubscription criteria 2018 (summary) contact academy for full criteria

If there are more applicants than the number of places available, the following oversubscription criteria will be applied.

Applicants will be placed in one of three ability bands according to their test scores, including those with an education, health and care plan or a statement of special educational needs that names the school, in accordance with the School Admissions Code 2014. Places within each band will be allocated in the following order of priority:

- 1.** Children in public care (looked after children) or children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangement/residence or special guardianship order) i.e. previously looked after
- 2.** Children who satisfy our scholarship criteria based on aptitude for music or sport i.e. 15 per cent of admissions entry number. Please refer to scholarship oversubscription criteria for more information
- 3.** Children who will have brothers or sisters attending the school at their time of entry
- 4.** Children of members of staff where the member of staff has been employed permanently at the school for two or more years at the time at which the application for admission to the school is made and will still be employed by the school on the date of admission

5. Where professional evidence indicates that there are particular psychological, medical or social needs which the school's learning support faculty agrees only Kingsdale has the capability of addressing or meeting and significant difficulties would arise were the applicant to attend a different school

6. Random allocation within each ability band. This process will be supervised by a person not employed by the school or independent of the school

Where the number of applications exceeds 124, the governors will offer places using the criteria in the order stated below:

1. Looked after Roman Catholic girls or looked after girls in the care of Roman Catholic families and previously looked after Roman Catholic girls who have been adopted or became subject to a residence order or special guardianship order immediately following being looked after

2. Baptised Roman Catholic girls. Evidence of baptism will be required. Applications in this category will then be placed within the following sub categories, based on the strength of evidence to the faith as demonstrated by the level of the family's mass attendance and whether the applicant attends a feeder primary school (see table 1 overleaf)

3. Girls who are catechumens or candidates – evidence will be required

4. Other looked after children, or children who were looked after but ceased to be so because they were adopted (or became subject to a residence/special guardianship order)

5. Girls who are baptised members of an Orthodox Christian Church. Evidence of baptism will be required

6. Girls who are members of other Christian denominations that are part of Churches Together in England. To demonstrate membership, applicants will need to provide evidence of baptism (where applicable) and evidence from the priest or minister of a designated place of worship

7. Girls who are members of other Christian denominations who are not affiliated to Churches Together in England. To demonstrate membership, applicants will need to provide evidence of baptism (where applicable) and evidence from the priest or minister of a designated place of worship

8. Girls of other faiths whose membership to that faith can be confirmed by a priest, minister or religious leader of a designated place of worship

9. Any other girls

In all categories the school expects parents to support the ethos of the school (values, uniform and discipline).

The following order of priorities will be applied when applications within any of the above categories or sub categories exceed the places available and it is necessary to decide between applications.

i. The attendance of a sister or sisters at the school at the time of admission (natural sisters, step sisters, adopted and foster sisters). This does not include other relatives e.g. cousins.

- ii. Exceptional social, medical or pastoral need of the child which can be met most appropriately at this school.
- iii. Age of child at baptism.
- iv. Distance from home to school. Places will be offered to girls living nearest the school using a straight line measurement from the front door of the applicant home to the main gate of the school.

1. Baptised Roman Catholic girls

	Baptism	Sunday mass attendance	Primary school
a	Baptised	Weekly	Feeder school
b	Baptised	Weekly	Other school

Whenever there are more applications than places available, priority will be given to baptised Catholic applicants in accordance with the oversubscription criteria listed below.

At any time where there are more applications for places than the number of places available, places will be offered according to the following order of priority:

- 1.** Looked after Catholic children or looked after children in the care of Catholic families and previously looked after Catholic children who ceased to be so because they were adopted (or became subject to a child arrangement/residence or special guardianship order)
- 2.** Children who, together with one or both parents, are baptised, practising members of the Catholic Church and who attend one of the following local Catholic primary schools: St Joseph's Junior, Camberwell; English Martyrs', Walworth; St James the Great, Peckham; St Francis, Peckham; St Francesca Cabrini, Honor Oak; St Anthony's, East Dulwich; St George's Cathedral, Southwark; St Helen's, Brixton; St Anne's, Vauxhall; and are resident in the Camberwell, Cathedral or Lambeth Deaneries

3. Children, who together with one or both parents are baptised, practising members of the Catholic Church and are resident in the Camberwell, Cathedral or Lambeth Deaneries

4. Children who are baptised members of the Catholic Church and are resident in the Camberwell, Cathedral or Lambeth Deaneries

5. Children who are baptised members of the Catholic Church

6. Other looked after children, or children who were looked after but ceased to be so because they were adopted (or become subject to a child arrangement/residence/special guardianship order)

7. Children who are baptised members of Historic Eastern Churches

8. Children who are members of churches that are part of Churches Together in England

9. Any other applicants

Where the offer of places to all the applicants in any of the categories listed previously would lead to oversubscription, the following provisions will be applied in each of the previous categories in order of priority:

- i.** The attendance of a brother(s) or sister(s) at the school at the time of admission

ii. Pupils who are currently attending one of the following local Catholic primary schools, St Joseph's Junior, Camberwell; English Martyrs', Walworth; St James the Great, Peckham; St Francis, Peckham; St Francesca Cabrini, Honor Oak; St Anthony's, East Dulwich; St George's Cathedral, Southwark; St Helen's, Brixton; St Anne's, Vauxhall

iii. The deaneries would be prioritised in the following order – Camberwell, Cathedral and Lambeth

iv. Exceptional social or medical need of the child, which can be most appropriately met at this school. Written evidence from a professional must be provided

v. Where the offer of places to all the applicants in any of the sub categories listed above would still lead to oversubscription, the places up to the admission number will be offered to those living nearest the school using a straight line measurement

Oversubscription criteria 2018 (summary) contact school for full criteria

Where the number of applications exceeds 150, the governors will offer places using the following criteria in the order stated:

- 1.** Looked after Catholic children or looked after children in the care of Catholic families, previously looked after Catholic children or previously looked after children in the care of Catholic families but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order)
- 2.** Baptised Catholic children. Evidence of Baptism will be required. Applications in this category will then be placed in sub categories, based on the level and length of the family's Mass attendance on Sundays and whether the applicant attends a feeder school. Evidence must be provided by the parent/guardian and be endorsed by a priest at the church(es) where the family normally worship or have worshipped
- 3.** Children enrolled in the catechumenate. Evidence of enrolment in the catechumenate or attendance at RCIC programme will be required
- 4.** Other looked after children or previously looked after children that ceased to be so because they were adopted (or became subject to a residence order or special guardianship order)
- 5.** Children who are members of Eastern Orthodox Churches. Evidence of Baptism will be required
- 6.** Children of families who are members of other Christian denominations that are part of Churches Together in England. Evidence of Baptism or

dedication (where applicable) and confirmation of membership from a priest or minister of a designated place of worship must be submitted

- 7.** Children of other faiths and whose membership to that faith can be confirmed by a priest, minister or religious leader of a designated place of worship
- 8.** Any other children

The following order of priorities will be applied in turn when applications within any of the above categories or subcategories exceed the places available and it is necessary to decide between applications.

- i.** Attendance of a sibling on the college roll at the time of admission. Evidence of the relationship may be required
- ii.** Exceptional social, medical or pastoral needs which can be met most appropriately at this college. Strong and relevant written evidence must be provided by an appropriate professional authority indicating why the college is most suitable (e.g. qualified medical practitioner, education welfare officer, social worker or Catholic priest)
- iii.** Distance from home to college. Places will be offered to applicants living nearest to the college in a straight line measurement using a geographical computerised information system. Distance is measured from the Llewellyn Street entrance of the College to the residence, using the postcode. Where the last remaining place is to be allocated and two or more applicants are deemed to live at the same distance from the college, the place will be decided by the drawing of lots

Oversubscription criteria 2018 (summary) contact school for full criteria

The governors' admission policy recognises that this is a Church of England school. It makes provision for the admission of girls from practising Christian families. It also provides for the admission of girls from families committed to other faiths, or to none, who wish their daughter to be educated in a school with a Christian ethos. There are three categories of places. Looked after children and previously looked after children will be given priority in each admission category.

1. Foundation places (70)

70 places each year will be offered to girls who satisfy the following criteria in order of priority:

(i) Girls who themselves and/or whose parent/carer can show that they are a regular worshipper at an Anglican church at least fortnightly for at least two years prior to application. Evidence of church commitment from the parish priest or similar church leader will be required.

(ii) Girls who themselves and/or whose parent/carer can show that they are a regular worshipper at a Christian church (i.e. recognised by the Churches Together in England or the Evangelical Alliance) at least fortnightly for at least two years prior to application. Evidence of church commitment from the minister will be required.

Within categories (i) and (ii) priority will be given according to the following criteria:

1. Those whose sisters attend the school at the time of admission
2. Those who attend feeder primary schools

2. Open places (37)

37 places will be offered to girls who are not eligible for foundation places. Where there is oversubscription, the criteria below will be applied:

- (i)** Those whose sisters attend the school at the time of admission
- (ii)** Those who attend feeder primary schools
- (iii)** Nearness from home to the school, measured in a straight line

3. 15 per cent ability places (18)

In order to achieve a balanced intake, 18 places will be offered to girls who score highest on the school's general ability test. To be considered for an ability place, parents/carers must complete and return the school's supplementary information form. Parents/carers are also advised to apply for either a foundation or open place so that in the event they are not offered an ability place, their child can be considered under their alternative chosen category.

Tie break

If two or more applicants have equal right to a place under any of the criteria for either foundation or open places and there are insufficient places, distance will be used to decide between applicants. If applicants are equidistant from the school, the governing body will draw lots to decide.

For full details of the oversubscription criteria for 2018, please contact the school directly.

Oversubscription criteria 2018 (summary) contact school for full criteria

The full criteria is available in the application pack, but a summary is outlined below:

1. Looked after Catholic children or looked after children in the care of Catholic families and previously looked after Catholic children who ceased to be so because they were adopted (or became subject to a child arrangement/residence or special guardianship order)
2. Applicants who, together with one or both parents, are baptised, practising members of the Catholic Church
3. Applicants who are baptised members of the Catholic Church
4. Other looked after children and other previously looked after children
5. Applicants who have a sibling currently attending the school
6. Applicants from other denominations of the Christian faith
7. Any other applicants

If the offer of places to all the applicants in any of the categories listed above leads to oversubscription we will consider the frequency of church attendance by the applicant together with one or both parents, the number of years the family has been attending church regularly and the age of the applicant at baptism and first Holy Communion.

Tie break

If the offer of places to all the applicants in any of the categories listed above would still lead to oversubscription, we will offer places up to the admission number to those living nearest the college.

The distance will be measured in a straight line from the main school entrance. Where the last remaining place is to be allocated and two or more children are deemed to live at the same distance from the school, the place will be decided by the drawing of lots. Evidence of residence may be required.

Oversubscription criteria 2018 (summary) contact the academy for full criteria

In the event of oversubscription the following arrangements will apply:

1. Applicants who are looked after, having regard to any collective agreement operated by Southwark Council over the admission of looked after children. This also includes children who were looked after but ceased to be so because they were adopted (or become subject to a child arrangement/residence/special guardianship order).

A banding system is adopted for the remaining places. Each applicant will be required to take a non verbal reasoning test which places the applicant in a rank order.

Those pupils (maximum 24) selected on the basis of assessed aptitude for the information technology specialism will be excluded from the rank order list and admitted.

The remaining applicants will then be placed in one of five bands based on their performance in the test. Places will be allocated so that an equivalent number of applicants are admitted from each band. Applicants will be admitted according to the criteria listed below in the order listed:

2. Eligible applicants residing in our catchment area in the City of London (this is currently estimated as a maximum of 30 applicants)

3. Eligible applicants residing in our catchment area in Southwark, and where there are more such applicants than places, according to the following criteria listed in priority order:

4. Siblings of Year 7 to 11 pupils already attending the academy

5. Children with special medical or social needs which the academy is best placed to meet (backed up by professional advice from the health authority and/or social services on why the academy is necessary)

6. Children attending Redriff Primary School

7. Children who live nearest to the academy, measured by the shortest safe walking distance from their normal family home to the corner of Lynton Road and St James's Road by the main academy building

8. Eligible applicants residing outside of the catchment areas and where there are more applicants than places available – children attending the Sir John Cass's VA Foundation Primary School in the City of London will be given priority

SEN admissions

Applicants with an education, health and care plan or a statement of special educational needs which appropriately names the academy will be admitted, subject to separate arrangements.

Oversubscription criteria (summary) 2018 contact academy for full criteria

Where the number of applications for admission is greater than the number of places available the governors will apply the following oversubscription criteria. After the admission of pupils with an education, health and care plan or a statement of special educational needs and where the academy is named on the plan or statement the criteria will be applied in the order in which they are set out below:

1. Looked after children and children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangement/residence/special guardianship order)
2. Children who are eligible for the pupil premium
3. Children for whom it is essential that they be admitted to the academy because of a significant medical or social need
4. Siblings of pupils who will be registered pupils of the academy on the first day of term where the applicant pupil would be joining the school

5. Children who live nearest to the school using a straight line measurement from the main entrance of the academy to the main entrance of the child's home. A child's home is considered to be the child's permanent residence. If custody of a child is shared, the address given should be that of the parent or carer with whom the child spends most of the school week

6. Children of staff employed for at least two years at the academy or recruited to meet a skills shortage

All applicants will take a standardised non verbal reasoning test which will be used to place each applicant into an appropriate group.

In year admissions and how to apply

In year applications can be made for places outside of the secondary transfer process. Please read below for information on how to apply for an in year place for your child.

Families applying for a place in Southwark schools must complete the Southwark in year application form. Completed forms are to be returned to: **School admissions team (4th floor), Hub 2, children's services, Southwark Council, PO Box 64529, London SE1P 5LX** or by email to **inyear.admissions@southwark.gov.uk**.

However, Southwark families applying to transfer their child from one Southwark school to another Southwark school must return their completed form directly to the school they are applying to.

Families who are applying for a voluntary aided (church) school, academy, foundation or free school must contact the school directly to ask if they require families to complete a supplementary information form (SIF). All completed SIFs must be returned directly to the school of application.

The in year form is available to download at **www.southwark.gov.uk/schooladmissions**. Alternatively, you can request the form by calling **020 7525 5337**.

Families applying for a school place outside of Southwark are to contact the relevant local authority to enquire about applying for places in their area.

For further information about in year admissions please visit **www.southwark.gov.uk/schooladmissions**.

Early help localities

In order for young people to get the best out of their education it is important that they attend school regularly, they arrive on time, and that they get the right support to help them reach their potential. The early help localities is available throughout Southwark's schools to support you and your child to achieve this.

School attendance

Southwark Council monitors school attendance and exclusions and helps schools and parents meet their legal responsibilities. Our officers work closely with schools to improve levels of attendance and behaviour, and will always try to work in partnership with parents to resolve any difficulties.

If your child is too unwell to attend school, you should contact the school straight away and tell the school when you expect them to return.

The council and government expect that parents will not disrupt children's education by taking them out of school during the school term.

Headteachers can authorise up to five days absence in extenuating circumstances.

If permission is not granted the school may issue a penalty notice. This is a fine of £60 raising to £120 (per parent) if the penalty notice is not paid within 21 days. Failure to pay a penalty notice may result in a prosecution.

Please speak to the school before making your travel arrangements.

You can contact Southwark Council's early help service direct by contacting the duty desk on **020 7525 2714** between 9am and 5pm, Monday to Friday, where you will be able to arrange an appointment to see an officer or have a telephone discussion.

Safeguarding your child

Schools and Southwark Council have a legal duty to safeguard pupils and promote their welfare and wellbeing through effective links with parents and carers. They must consider reporting any unexplained injuries, unusual behaviour or worrying things said by or about the child and will not take risks with the safety or welfare of your child.

- Good communication is very important between home and school about any accidents, illness or upset that might be affecting your child
- If you cannot collect your child from school on time, you must contact the school as soon as possible
- You must give your child's school your contact details and details of a relative or friend who is willing to act as an emergency contact
- A referral to children's social care will not normally be made without discussing this with you first but please make sure that the school knows how to contact you
- If you think that your child is being bullied by other children (including upsetting text messages or via the internet) you must report this to their teacher, head of year, form tutor or class teacher

Exclusions

A headteacher may exclude a child in response to serious breaches of the school's disciplinary procedures. Advice for parents regarding exclusions is available from Southwark Council's pupil inclusion coordinator (exclusions) on **020 7525 2699**.

Education when away from school

Schools have to provide continued education for any pupil who is unable to attend school for a period of up to 15 school days. Your child's school will make arrangements for setting and marking school work to do at home. However, you must first contact the school to put these arrangements in place.

If your child is likely to be out of school for more than 15 school days, tuition will need to be provided in your home. The school or parent must inform Southwark Council in writing as soon as it is known that the absence is likely to be more than 15 days. Evidence relating to the child's absence must also be supplied from the child's GP, consultant or social worker confirming that the pupil is unable to attend school.

Additional education information you may find useful

Pupil premium – extra funding for your child’s school

Your child may be entitled to a free school lunch each day – if they go to a state maintained school in Southwark, you may also be able to help your child’s school raise extra money from the government towards the cost of learning resources, activities or teaching staff if you meet the eligibility criteria below:

- Income support
- Jobseeker’s allowance (income based)
- Child tax credit – provided you are not entitled to working tax credit
- Employment Support Allowance (ESA)
- State pension – this benefit must be your sole source of income
- Support under Part IV of the Immigration and Asylum Act 1999
- Universal Credit

If you do meet the criteria above, please contact your child’s school to request a pupil premium application form which you must complete and return back to the school directly.

For further information, contact Southwark Council’s school benefits team by email at school.benefits@southwark.gov.uk or by telephone on **020 7525 5051**.

Free travel

All pupils attending Southwark secondary schools will be eligible to travel on London buses free of charge, some may choose to walk or cycle to and from school. For further information you can view the Transport for London website at www.tfl.gov.uk or telephone **0343 222 1234**.

Child employment

Most children under the age of 16 will require a permit to work. The youngest age a child can work part-time is 13, except children involved in areas like television, film, theatre sporting events or modelling who may need a license if they are missing school and being paid. If the child is a Southwark resident, the person in charge of running the event must apply to Southwark Council for a child performance license.

If the child will not be with their parent, school teacher or home tutor during their employment, they must be supervised by a chaperone who has been approved by the council.

Businesses intending to employ school aged children must apply for a child employment permit before they can be employed. If a child is working without a child employment permit, there’s a risk that the employer won’t be insured against accidents involving the child.

For advice and applications for child performance licenses, chaperone licenses and child employment permits, please contact Southwark Council’s child employment officer on **020 7525 2702**.

Private fostering

If you are looking after a child or young person who is not a close relative (close relatives are birth parents, step parents by legal marriage, siblings, grandparents, aunts or uncles whether they are full blood, half blood or by marriage) for 28 days or more, you must notify Southwark Council on **020 7525 1921**. We will make sure that you and the child are given support and we will also advise you about the other services which might be helpful.

If you would like advice about whether you need to notify Southwark Council, please call **07539 346 808** or email privatefosteringadvice@southwark.gov.uk.
