**Class 4 get creative at the one and only
Buckingham Palace!**

Year 4 went to Buckingham Palace and it was amazing! Here is what a pupil thought about it:

“As we walked in we gazed around at the statues and precious ornaments. Then we met some people called Bridget and Eleanor who split us into two groups. After that we went into the dining room which had secret passageways! The Queen uses these to make a dramatic entrance or just sneak in! The dining room also had a golden piano with fantastic patterns of harps and musical instruments. Then we went into a little room in the garden of Buckingham Palace and wrote about what we saw, smelt and heard.”
