### COUNTING STARS

#### CHORUS

**Lately, I've been, I've been losing sleep**  
**Dreaming about the things that we could be**  
**But baby, I've been, I've been praying hard,**  
**Said no more counting dollars**  
**We'll be counting stars,**  
**yeah we'll be counting stars**

#### VERSE 1

I see this life like a swinging vine  
Swing my heart across the line  
In my face is flashing signs  
Seek it out and you shall find  
Old, but I'm not that old  
Young, but I'm not that bold  
And I don't think the world is sold  
Just doing what we're told

#### PRE CHORUS

I feel something so right  
By doing the strong thing  
I feel something so wrong  
By doing the fight thing  
I couldn't lie, couldn't lie, couldn't lie  
Everything that thrills me makes me feel alive

#### CHORUS

**Lately, I've been, I've been losing sleep**  
**Dreaming about the things that we could be**  
**But baby, I've been, I've been praying hard,**  
**Said no more counting dollars**  
**We'll be counting stars, yeah we'll be counting stars**

**Lately, I've been, I've been losing sleep**  
**Dreaming about the things that we could be**  
**But baby, I've been, I've been praying hard,**  
**Said no more counting dollars**  
**We'll be counting stars, yeah we'll be counting stars**

#### VERSE 2

I feel the love and I feel it burn  
Down this river, every turn  
Hope is a four-letter word

Make that money, watch it burn  
Old, but I'm not that old  
Young, but I'm not that bold  
And I don't think the world is sold  
Just doing what we're told

#### PRE CHORUS

By doing the strong thing  
I feel something so wrong  
By doing the fight thing  
I couldn't lie, couldn't lie, couldn't lie  
Everything that thrills me makes me feel alive

Ooh ooh ooh, ooh ooh ooh  
Ooh ooh ooh, ooh ooh ooh

#### VERSE 1

If I could reach the stars, I'd pull one down for you  
Shine it on my heart, so you could see the truth  
That this love I have inside, is everything it seems  
Although its hard to find, it's not only in your dreams

#### CHORUS

**We can change the world**  
**We can be the sunlight in the universe**  
**We can show that love is really something good**  
**Oh you know we could, change the world**

#### VERSE 2

If I could be king, even for a day  
I'd take you as my queen, I'd have it no other way  
And our love will rule, in this kingdom we have made  
Till then I'd be a fool, wishin' for the day

#### CHORUS

**We can change the world**  
**We can be the sunlight in the universe**

## SANTA CLAUS IS COMING TO TOWN

You'd better watch out, you'd better not cry  
You'd better not pout, I'm telling you why  
Santa Claus is coming to town  
Santa Claus is coming to town  
Santa Claus is coming to town

He's making a list, he's checking it twice  
He's gonna find out whose naughty or nice  
Santa Claus is coming to town  
Santa Claus is coming to town  
Santa Claus is coming to town

He sees you when you are sleeping  
He knows when you're awake  
He knows if you've been bad or good  
You'd better be good for goodness sake  
(You'd better be good for goodness sake)

Ooh aah ooh ooh ooh ooh aah  
Ooh aah ooh ooh ooh ooh aah

### VERSE 1

I burn like a fire left in the rain  
As I run the race, oh yes I feel the pain  
From the resistance I'm feeling the strain  
Now the realisation is that we are all born the same

### CHORUS

**Come on and shine (shine), shine like a star (ah-ha)  
Shining so bright (ah-ha) like the star that you are  
(ah oh oh oh oh)  
Oh oh oh oh shine (shine) into the future (ah-ha)  
Spreading your light (ah-ha) wherever you are (ah-ha)**

### VERSE 2

I reach for the moon and I reach for the sun  
With the strength from within me, the further and faster  
I run  
Stretching my sinews to the bone  
Achieving all goals that I seek, I know I must do it alone

### BRIDGE

When they said I'd never make it  
I found strength from within  
'Cause it is there if you seek it  
And you can get it if you really want so

Shining so bright (ah-ha) like the star that you are**
