Do you Hear what I Hear

Said the night wind to the little lamb,
Do you see what I see
Way up in the sky, little lamb,
Do you see what I see
A star, a star, dancing in the night
With a tail as big as a kite
With a tail as big as a kite

Said the little lamb to the shepherd boy,
Do you hear what I hear
Ringing through the sky, shepherd boy,
Do you hear what I hear
A song, a song, high above
the trees
With a voice as big as the sea
With a voice as big as the sea

Said the shepherd boy to the mighty king,
Do you know what I know
In your palace warm, mighty king,
Do you know what I know
A Child, a Child shivers in the cold
Let us bring Him silver and gold
Let us bring Him silver and gold
Said the king to the people everywhere,
listen to what I say
Pray for peace, people everywhere!
listen to what I say
The Child, the Child, sleeping in the night
He will bring us goodness and light
He will bring us goodness and light

White Winter Hymnal

I was following the pack,
All swallowed in their coats
With scarves of red tied 'round their throats
To keep their little heads
From fallin' in the snow
And I turned 'round and there you go.
And Michael you would fall,
And turn the white snow
Red as strawberries in the summertime.

To keep their little heads
From fallin' in the snow
And I turned 'round and there you go.
And Michael you would fall,
And turn the white snow
Red as strawberries in the summertime.

Lil' Star

There is nothing special about me
I am just a lil' star
If it seems like I'm shining it's probably
A reflection of something you already are

I forget about myself sometimes
When there's so many others around
When deep inside you feel the darkest
that is where I can always be found

That is where I can always be found
That is where I can always be found

CHORUS - Lil Star

Just keep trying and trying
It's just a matter of timing
Though it's tiring, so tiring
Don't let it stop you from smiling
Just keep trying and trying
Sooner or later you'll find it
It's surprising how inspiring

It is to see you shining

**Cause in the dark of the night
you're all that I see
And you sure look like a star to me**

There is nothing special about me I
am just a lil' star
If you try to reach out and touch me
You'll see that I'm not really that far

Oh, I may not be the brightest
Nor am I the last one you'll see
But as long as you notice ,
that's just fine with me

Everything's just fine with me
Everything's just fine with me

CHORUS - Lil Star

Outro

All

We're singing almost every night
When the moon is big and bright
It's a supernatural delight
Everybody's dancing in the moonlight

Dancing in the moonlight
Everybody's feeling warm & bright
It's such a fine and natural sight
Everybody's dancing in the moonlight

GROUP B – All

Anything that's worth having
Is sure enough worth fighting for
Quitting's out of the question
When it gets tough gotta fight some more

B1

**Just keep trying and trying
It's just a matter of timing
Though it's tiring, so tiring
Don't let it stop you from smiling**

B2

We've got to fight fight fight fight for this
love
We've got to fight fight fight fight for this
love
We've got to fight fight fight fight for this
love
If it's worth having it's worth fighting for.

ALL

If it's worth having it's worth fighting for.
